June 23-24, 2017

Training at Santa Ana College  
1530 W 17th St, Santa Ana, CA 92706

**SANTA ANA**  
**COLLEGE**

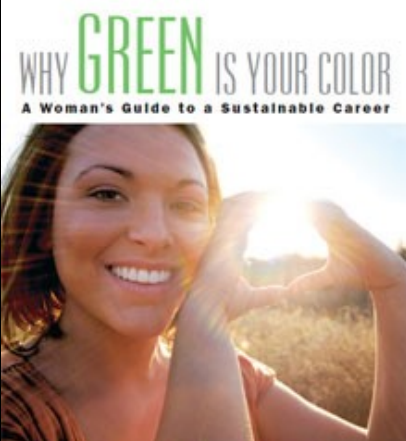

**FREE TRAINING for Santa Ana College Students on Campus**

**International Women in Engineering Day,**

June 23rd annually, celebrates the achievements of women in engineering and encourages more girls to consider engineering careers. This year, our event will focus on DOL Women's Bureau materials from "Why Green is Your Color".

Special hands-on activities with equipment and displays, Women Engineer guest speakers at noon free lunch guide women in choices for their education and career pathways.

**This event starts at 9:30am on June 23rd** before the Bash kicks off at 1pm.
